
Level 1 Award in Career Progression Opportunities
603/5613/3

Award aim

This Award introduces and will give the learners an understanding of the possible career pathways they may be interested in. It will make sure that the skills and experience they have gives them the opportunity to apply for the job they always longed to do, when it becomes available. The learner will also find that as they progress through working life the need to continually gain new skills and experience if they want to progress.

Award introduction

This Award gives learners the opportunity to understand why it is so important to plan for a career. They will then research different jobs and courses for a chosen pathway. Having gathered that information, they will then be able to plan for the chosen pathway.

Assessment

To achieve this Award, the learner needs to demonstrate that they can meet all the learning outcomes for the unit. The assessment criteria determine the standard required to achieve the unit through a variety of assessment methods appropriate to the delivery environment.

Achievement

Learners must achieve a total of 2 credits by completing the one mandatory unit to gain the Award.
