ETCAL Level 1 Award in Introduction to Bicycle Mechanics 610/5750/2

Qualification aim

This qualification focuses on developing the foundation knowledge, understanding and skills needed to function as an assistant Bicycle Mechanic by being able to undertake basic maintenance required of modern bicycles.

Qualification introduction

This qualification is made up of 4 mandatory units that enable learners to develop sufficient ability to allow them to assist a more experienced bicycle mechanic.

Assessment

In order to achieve this qualification a learner must complete all units as mandatory. The assessment criteria determine the standard required to achieve each unit and allow for a variety of assessment methods to be used as appropriate to the environment the qualification is delivered in. There is no examined assessment element in this qualification.

Progression

On completion of this qualification learners will be prepared to progress to level 2 qualifications in the related suite with potential to go on to level 3.

Achievement

Learners must achieve a total of 5 credits, by completing the 4 mandatory units to gain the qualification.

Qualification Number		610/5750/2
Qualification Framework		RQF
Title		ETCAL Level 1 Award in Introduction to Bicycle Mechanics
Qualification Level		Level 1
Guided Learning Hours		42 GLH
Total Qualification Time		49 TQT
Qualification Credit Value		5 Credits
